

Item 8324000

Intended use

The product operates without gas or flame and is designed to light cigarettes, fireworks, sparklers, and similar items. The product is not suitable for lighting candles.

The USB mechanism is only designed to charge the product and does not have any storage ability.

Warnings

- The product is not a toy. Therefore, keep the product out of the reach of children.
- The product must not be taken apart, thrown into fire or short-circuited. Danger of fire!
- Protect the product from impacts, falls, dust, moisture, direct sunlight and extreme temperatures.
- Do not touch the heating element when the lighter is open and in operation. Danger of burning!
- Do not use the lighter while it is charging.
- If dirty, the heating element may become "burnt" due to repeated use of the lighter switch.

Use

Push the lighting switch on the lighter down. The heating element will heat up and turn red. After 10 seconds the lighter switches off automatically.

Charging

Pull the USB stick out and put it into a USB port on your computer or in a USB plug adapter. Ensure it is inserted the correct way up.

LED power indicators

While charging

- blue: charging in process
- no light: fully charged

While in use

- blue light: in operation, fully charged
- flashing blue light (after 10 seconds operation): automatic power off
- flashing blue light (immediately): battery is almost flat. The battery has to be recharged. The heating element will not heat up anymore.

Technical specifications

Charging time: Approx. 3 hours

Rechargeable battery: Lithium-ion, 3.7 V, 180 mAh

Ambient temperature: +10°C - +50°C

In the course of product improvement, we reserve the right to make technical and optical modifications to the product.

Disposal

The product, its packaging and the built-in rechargeable battery have been manufactured from valuable materials that can be recycled. Recycling reduces the amount of refuse and helps to preserve the environment.

Dispose of the packaging at a recycling point that sorts materials by type. Make use of the local facilities provided for collecting paper, cardboard and lightweight packaging.
