

# waterZOOM<sup>®</sup>

## Parts List (1 PC each)

1. Ball Valve
2. Handle
3. Foam Protection
4. Spray Tip Nozzle
5. Fan Tip Nozzle
6. Hose Adapter
7. Brush Head
8. Soap Dispenser

**WATER ZOOM** has two additional accessories that are very useful when it comes to providing an even more professional finish: the soap and scrub kit. These accessories are included in this set.

Using the soap and Scrub Kit:

**WATER ZOOM** can be used with or without the soap dispenser attached. The soap dispenser has a 3-position dispensing system:

**Important: when using this product please use one hand holding the joint with the quick-click adaptor from the garden hose, thus to avoid disconnection due to bending.**

- a. OFF position: the dispenser is closed.
- b. Rinse position: the dispenser is open, but without soap.
- c. Soap position: the dispenser is open and the soap or soapy solution in the dispenser mixes with the water to make WATER ZOOM a professional cleaning system.

**WARNING:** WATER ZOOM is compatible with any kind of hose, though you may need an additional adapter, depending on the configuration. The adapter is included in the set.

**MADE IN CHINA**
